Atlas of Gastrointestinal Surgery, Vol. 1 (Cameron, Atlas of Gastrointestinal Surgery)

John L. Cameron, Corinne Sandone

Atlas of Gastrointestinal Surgery, Vol. 1 (Cameron, Atlas of Gastrointestinal Surgery) John L. Cameron, Corinne Sandone

The first edition of this superb, two-volume atlas on surgery of the biliary tract, pancreas and liver was published nearly 20 years ago. Dr. Cameron has revisited and updated this classic work to include laparoscopic techniques and to demonstrate the current status of gastrointestinal surgical procedures. Written for the experienced surgeon, this two-volume work is beautifully illustrated with anatomical watercolor paintings by co-author Corinne Sandone that elevate the work to a level not seen in other atlases. The goal of this volume is to present the alimentary tract procedures performed and in some instances initiated at the Johns Hopkins Hospital in such a fashion that other alimentary tract surgeons can learn these techniques and perform them successfully.

KEY FEATURES

- Includes operative procedures on the gall bladder and biliary tract, liver (including shunts), pancreas, spleen, and the esophagus.
- Both open and laparoscopic approaches are described for many of the procedures.
- The artwork provides clarity that a camera cannot capture, yet maintains the realism of the perioperative field.
- Illustrations depict views that cannot be photographed: conceptual images, cut-away views, and distillations of visual information not easily observed in the operating room.

From reader reviews:

Troy Harlow:

What do you concentrate on book? It is just for students because they're still students or the item for all people in the world, what the best subject for that? Only you can be answered for that issue above. Every person has various personality and hobby per other. Don't to be compelled someone or something that they don't need do that. You must know how great along with important the book Atlas of Gastrointestinal Surgery, Vol. 1 (Cameron, Atlas of Gastrointestinal Surgery). All type of book could you see on many options. You can look for the internet options or other social media.

Sheila Foxworth:

What do you about book? It is not important together with you? Or just adding material when you need something to explain what yours problem? How about your time? Or are you busy person? If you don't have spare time to accomplish others business, it is make one feel bored faster. And you have spare time? What did you do? Every person has many questions above. They should answer that question mainly because just their can do in which. It said that about reserve. Book is familiar in each person. Yes, it is proper. Because start from on guardería until university need this specific Atlas of Gastrointestinal Surgery, Vol. 1 (Cameron, Atlas of Gastrointestinal Surgery) to read.

Theresa Diaz:

Reading a reserve tends to be new life style on this era globalization. With reading you can get a lot of information which will give you benefit in your life. With book everyone in this world could share their idea. Guides can also inspire a lot of people. Many author can inspire their reader with their story as well as their experience. Not only the story that share in the publications. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors in this world always try to improve their ability in writing, they also doing some exploration before they write on their book. One of them is this Atlas of Gastrointestinal Surgery, Vol. 1 (Cameron, Atlas of Gastrointestinal Surgery).

Robert Hatch:

In this particular era which is the greater particular person or who has ability in doing something more are more special than other. Do you want to become one among it? It is just simple solution to have that. What you need to do is just spending your time very little but quite enough to enjoy a look at some books. One of the books in the top record in your reading list is definitely Atlas of Gastrointestinal Surgery, Vol. 1 (Cameron, Atlas of Gastrointestinal Surgery). This book which is qualified as The Hungry Hillside can get you closer in turning out to be precious person. By looking upward and review this e-book you can get many advantages.
