Blizzard H.W. "Buzz" Bernard

Everyone laughs at what southerners call a "snowstorm." A half-inch of the white stuff, and Atlanta panics.

No one's laughing this time.

A freakish combination of weather elements surpasses even the experts' predictions. Suddenly much of the upper South is covered in several feet of snow. There's never been a storm like this in the region before. Never in recorded history.

For Atlanta executive J.C. Riggins, the storm is only one of the killers he'll have to face.

In a desperate bid to save his job, his company, and quite possibly his young son's life, Riggins must transport a defense contract to North Carolina. The deadline can't be missed. With airports and roads closed, Riggins sets out in an SUV through a stunned countryside where no one can help him if trouble happens. Which it does, the moment a dangerous criminal joins him for the ride.

H.W. "Buzz" Bernard is an Air Force veteran and retired Weather Channel meteorologist. His 2010 hurricane thriller, *Eyewall*, became a number one bestseller in ebook. Visit him at buzzbernard.com.

From reader reviews:

Jamie Arellano:

As people who live in the modest era should be revise about what going on or information even knowledge to make all of them keep up with the era which is always change and progress. Some of you maybe will certainly update themselves by reading through books. It is a good choice for you but the problems coming to an individual is you don't know which you should start with. This Blizzard is our recommendation to make you keep up with the world. Why, because this book serves what you want and need in this era.

Thomas Woods:

Information is provisions for anyone to get better life, information today can get by anyone from everywhere. The information can be a knowledge or any news even an issue. What people must be consider while those information which is within the former life are challenging to be find than now's taking seriously which one would work to believe or which one typically the resource are convinced. If you receive the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take Blizzard as your daily resource information.

Mary Barrientes:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Blizzard can make you sense more interested to read.

Melissa Becker:

E-book is one of source of knowledge. We can add our understanding from it. Not only for students but in addition native or citizen require book to know the upgrade information of year to help year. As we know those publications have many advantages. Beside many of us add our knowledge, could also bring us to around the world. By the book Blizzard we can consider more advantage. Don't someone to be creative people? To get creative person must love to read a book. Merely choose the best book that appropriate with your aim. Don't end up being doubt to change your life by this book Blizzard. You can more appealing than now.
