Here is what Others Are Saying about the book

Nathan Jones: "This is a great beginners guide for drawing. The book covers what drawing is, benefits of drawing, different types of drawing, basic drawing concepts, a step by step drawing guide and more."

James: "These was a great book giving an introduction on the processes involved in drawing. It isn't your typical do this do that type of book where you more or less try and replicate some picture. It is almost more of an DIY for how to think like an artists and approach drawing."

Brian: "I was immediately impressed with the author's list of the benefits of drawing. I didn't know there were so many, and it really influenced me in a positive way!"

Derek: This book showed me some cool reasons why I should draw again. The things I liked the most were: it showed the different types of drawing, it helped me with the basics and it showed the common mistakes made when people draw. A very good book, recommended!
