It provides coverage that is current with *The Standard for Portfolio Management*, Third Edition and the *PfMP® Examination Content Outline (ECO)*, 2013.

The book consists of five sections, each of which corresponds to one of the five domains described in the *ECO*. Each section includes study hints, a list of major topics that may be encountered on the exam, and 20 multiple-choice practice questions that illustrate the applicable task from the *ECO*. Each section also includes an answer sheet and answer key with the rationale for each correct answer and references to the Standard. Supporting references are also listed at the end of the book for each of the domains covered on the exam.

Written by Dr. Ginger Levin, co-author of best-selling PMP® and PgMP® study guides, the book includes two complete practice tests, each consisting of 170 questions that follow the blueprint of the actual PfMP® exam as described in the *ECO*. For example—
