Isabella Harpe, last in a long line of witches, drifts with the wind. Her tarot cards always ready to bring in enough to live on, and her instincts keep her mostly out of trouble. Unfortunately, bad boyfriends and even worse luck strand her near the most dangerous place for a witch to land—beside a cursed town, and an even more cursed man.

Jeremy Tremont's family built their house over an ancient place of power, turning it into an uneasy, rose-choked sanctuary for the weird and the dangerous alike. Scarred, quiet, and difficult, he's not Isabella's idea of a prospective employer, no matter how badly she needs the money. He's paying well, and there's only one catch: she has to be home by dusk. Because in Tremont City, bad things happen after nightfall.

Secrets hide in every corner, an ancient curse cloaks itself in silence, and Isabella's arrival has begun a deadly countdown. Despite that, she may have found a home—all she has to do is figure out how to break the curse.

Oh, and survive in the dark...
