Do you want to be wealthy?

Do you find it hard enough to save even ten or a hundred bucks or so?

Do you find your hard-saved money just evaporating with the pressures and expenses of daily life?

This book has the answers to the unrealised dream of becoming a millionaire - a dream that seems so impossible that most of us do nothing towards achieving it, because there seems to be nothing we can do. In the Ten Dollar Millionaire, you will learn that the dream is more than possible; it is inevitable, once you start saving just a ten-dollar bill at a time.

Such a tenner makes up a hundred bucks, then a thousand and before you know it, your charts and statements, and your 'windowsill wealth' motivator are showing you that you are saving more than ever seemed possible.

The book is divided into sections and you will learn

- How to become and stay motivated
- How to save a tenner in many, many different ways
- How to earn a tenner in ways you may never have considered
- How to invest a tenner to make it grow, and earn income for you, and
- How to protect a tenner from those who would rather they had it than you did

This quick start guide to the series is all you need to increase your wealth by the first ten thousand dollars within your first year, and start you on the accelerating road to the prosperity you have always dreamed of.

- It doesn't matter if you are young and inexperienced
- It doesn't matter if you have family responsibilities
- It doesn't matter if you are in debt
- It doesn't matter if you are ill or disabled
- It doesn't matter if you are nearing the end of your working life

If you want to be richer, this book will start you on the way
