The Gentlemen's Club Gary M. Douglas

In The Gentlemen's Club, Gary Douglas, the founder of Access Consciousness®, and a diverse group of men talk candidly about women, relationships, sex, sexual energy, masturbation, and being a man in this reality. Their wide-ranging conversations are in turn, funny, moving, outrageous, raunchy, and profound. Douglas offers ground-breaking Access Consciousness tools and processes, insightful revelations, and incredible information about how talk to a woman, how to stimulate her body, how to create orgasms by expansion rather than contraction, and how to create sex and relationship from an awareness of what is rather than a fixed point of view about what they are supposed to be. Speaking of relationships, he says, "Sometimes people say to me, 'You don't like relationships.' No. It's that I don't like bad relationships. I see no reason for there to ever be a bad relationship. If you have a relationship, it should be something that adds to your life and makes it greater and better and more fun. If a relationship doesn't do that, why be in one?" Douglas also talks about trusting yourself as a man, creating a sense of partnership with other men, and discovering what it is that would make you thrilled with your life. Praise from Gentlemen's Club Participant: "I'm so grateful for The Gentlemen's Club. For the first time in my life, I'm happy about being a man and being in a man's body." Praise from Gentlemen's Club Participant's wife: "Thank you so much for doing these classes. I've got back the man that I fell in love with."
