The Heart of Being: Moral and Ethical Teachings of Zen Buddhism (Tuttle Library of Enlightenment)

John Daido Looi

Newly reprinted by Dharma Communications Press. *Heart of Being* is the most comprehensive book available on the moral and ethical teachings of Zen Buddhism. A standard training guide for Zen students approaching *jukai*, the ceremony of formally taking the precepts as one's life, this book is a rich offering for a morally ailing planet. These teachings accent the relationship between practicing the Buddhist precepts and cultivating the enlightened mind. Daido Roshi explores how the precepts serve as a compass to navigate the difficult and often overwhelming dilemmas of our lives.
