**Above the Clouds: Memoirs of A B-26 Marauder Pilot** Major Richard M. Crummett

From disarming a live grenade to making two deadstick landings, Major Crummett's adventures speak for themselves. From the fruit of a meticulous diary, the story unfolds in Crummett's own voice with humility and wit. Through the eyes of this Maine farmboy, his love affair with "The Widowmaker" brings the aviation battles of WWII to life for the reader. Ride along in the cockpit as flak bursts around you and anti-aircraft guns boom from below. A skilled storyteller, "Iron Man" Crummett tells it in such great detail, even Air Force historians will be impressed.
