## **Light Years (Vintage International)** James Salter

This exquisite, resonant novel by PEN/Faulkner winner James Salter is a brilliant portrait of a marriage by a contemporary American master. It is the story of Nedra and Viri, whose favored life is centered around dinners, ingenious games with their children, enviable friends, and near-perfect days passed skating on a frozen river or sunning on the beach. But even as he lingers over the surface of their marriage, Salter lets us see the fine cracks that are spreading through it, flaws that will eventually mar the lovely picture beyond repair. Seductive, witty, and elegantly nuanced, *Light Years* is a classic novel of an entire generation that discovered the limits of its own happiness—and then felt compelled to destroy it.
