Social BOOM!: How to Master Business Social Media to Brand Yourself, Sell Yourself, Sell Your Product, Dominate Your Industry Market, Save Your Butt, ... and Grind Your Competition into the Dirt Jeffrey Gitomer

Social BOOM! addresses every aspect of social media, including the business periphery (blog, personal website, e-zine) that you need in order to create the real law of attraction. When you create a connection, it's an indicator that that prospect, or that customer, or that individual wants to continue the online relationship, which may lead to real business. Graduate from social media to business social media by creating value that others will perceive as important to fulfilling their needs.

As you go through each aspect of this foundation-building, platform-building book, you will learn about the business social media tactics that author Jeffrey Gitomer and other experts are using right now. None of the ideas are random. All of them are fully tested and can be implemented by you, too. None of the ideas contain solicitation (buy my product, make a lot of money). All of them get you and your brand out there in a systematic way that will bring in dollars. Best of all, the strategies are presented in a way that will allow you to put them into practice immediately.
