FROM #1 INTERNATIONAL BESTSELLING AUTHOR SIERRA CARTWRIGHT

Book six in the Mastered series

What could be headier than the surrender of a powerfully dominant woman?

Dom Damien Lowell has always respected Domme Catrina Davidson. He likes the way she interacts with her subs, confident, kind, firm. And for years he's fantasised about her submitting to him. What could be hotter than having the sexy Domme squirming beneath his lash?

One evening, Damien challenges her, saying she'd be a much better Domme if she experienced submission...to him.

Catrina doesn't have a single submissive tendency. But she's oh-so turned on when she watches a sub respond to Damien. A secret part of her is intrigued, and she asks herself, what harm can come from giving him two weeks?

Over the next fortnight, she is introduced to the pleasures and perils of servitude. She has to admit that he's right—her understanding of submission is deeper, more profound, than it would have been otherwise. But the private experiences they share in the Den leave her emotionally shattered, making her question everything she thought she knew.

In her unique way, Catrina too, challenges Damien, forcing him to grow as a Dom, and he wonders how the hell he'll ever be able to let her go.

Outstanding Industry Reviews

Ms. Cartwright delivers a fascinating story that sucked me right in from page one... All in all, In The Den is a great novel, which I've already read twice and I know I will read again and again. ~ Long and Short Reviews

Damien's playfulness and how he keeps Catrina in an erotic haze is exquisite. ~ The Romance Reviews

About Sierra Cartwright

Sierra Cartwright was born in Manchester, England and raised in Colorado. Moving to the United States was nothing like her young imagination had concocted. She expected to see cowboys everywhere, and a covered wagon or two would have been really nice!

Now she writes novels as untamed as the Rockies, while spending a fair amount of time in Texas where, it turns out, the Texas Rangers law officers don't ride horses to roundup the bad guys, or have six-shooters strapped to their sexy thighs as she expected. And she's yet to see a poster that says Wanted: Dead or Alive. (Can you tell she has a vivid imagination?)

Sierra wrote her first book at age nine, a fanfic episode of Star Trek when she was fifteen, and she completed her first romance novel at nineteen. She actually kissed William Shatner (Captain Kirk) on the cheek once, and she says that's her biggest claim to fame. Her adventure through the turmoil of trust has taught her that love is the greatest gift. Like her image of the Old West, her writing is untamed, and nothing is off-limits.

She invites you to take a walk on the wild side but only if you dare.
