'Kids Book: Flip and Mimi (Beautifully Illustrated Children's Bedtime Story Book)' is a delightful and truly inspirational story for kids. It is an adorable children's picture book, about Flip the baby dolphin's appreciation of her true potential at an early age to become a leader among her friends.

Flip and her mom Mimi portray the classic grace, playfulness and social nature of dolphins. Not to mention Flip's artistry and athleticism while swimming and playing in the water. Truly a beautiful creation of nature physically as well as personality-wise.

The book is a treat for the entire family with pictures to stimulate the interest of children and adventures and life lessons for everyone.

A great story that can be read to those younger than 5, a read alone or with guidance book for kids age 5-8, or as a read alone collection of tales for kids 9-12 who are looking for a new sort of hero. Who doesn't want to know about a dolphin?

A wonderful addition to any library, especially those collecting Kids Picture Adventure Books for the Kindle or animal picture books.
