Lovers Restored (Lovers Redeemed Novel Book 1) Kelsie Leverich
A sexy category romance from Entangled's Brazen imprint...

So much need. So much desire...

It's been exactly ten years since Halle Morgan last set foot in her tiny hometown. Now she's back, but only long enough to honor the memory of her best friend and try to leave the past behind her. But with one look at Cooper Bale, Halle knows there is no escape from the past—or from the man she wants like no other.

Cooper can't let go of his painful memories, or the guilt that tore him and Halle apart. And try as he might, he can't forget the bittersweet night they once shared. Even now, longing sizzles between them, potent and *insatiable*. Though blissful nights spent in Halle's arms heal the bitterness in Cooper's heart, they know they have no future...until they let go of the past that brought them together.
