"Erotic and Lusty!" says *Fallen Angels Review* about the work of Jade Blackmore. It also says "She takes readers on a journey through just about every conceivable emotion, situation, and passion you can think of-- lust, anger, the warm fuzzies, bondage, and flat-out eroticism."

You will find all this and more in Blackmore's new collection of contemporary erotic stories. Most of the female characters in the stories are in their 20s and in rock-and-roll or the arts or attracted to men in those fields. Poor girls! Are they in for a surprise!

*One Autumn Night* and *How Ashley Juniper Changed Her Image* deal with girls losing their virginity to bad boys. *Junk Bar Incident* says a lot about sex and loneliness and how catty women can be when trying to snag a rock star away from a rival! *Roses To Heaven* takes on the concept of tattoos as body art. *Seduced and Abandoned* is a sex-for-money story with a twist. *Geneva's Story* and *Tables Turned* deal with the emotional side of BDSM that proves the emotional and psychological games people play can sometimes be more interesting and sexier than any bondage gear.
