Terminated Simon Wood

Gwen Farris crossed the wrong coworker when she gave Stephen Tarbell a poor evaluation. That was all it took to push Tarbell over the edge. He already believes Gwen stole the promotion that was rightfully his. He won't let her take anything else from him. Now it's his turn to take...and take. By the time he's finished with her, Tarbell plans to take her job, her family--even her life.

TERMINATED...to some people, it's more than a job.
