## **The Burning Man** Elaine Wall

A burned out wizard detective takes on one of the most dangerous cases of his career in this nail-biting thriller. Mystery, fantasy, forbidden romance, and a healthy dose of sarcasm combine to form a fast paced, heart-warming, laugh-out-loud read.

Detective Murray Templeton starts his day pining for his buxom, fiercely intelligent neighbor as per usual. A burnt slice of toast and dribble of coffee later finds him at the scene of a grisly murder. A Townie, local speak for a non-magic type, is found murdered in a park in a very magical way. Someone has cast Prima Belladonna at her and she's literally sung her heart out. Thus begins a winding mystery that takes Murray from a floating prison in the clouds to a tiny backwoods settlement and back again. A breathless chase, a cinematic kiss, a handful of armed and dangerous exotic dancers, a pensive troll, and a goblin arms dealer round out the tale.

Will Murray catch The Burning Man before they harm him or someone he loves?
