Devastating earthquakes, storms, tsunamis, flooding, volcanic eruptions... what's up with our planet? Celestial Earth investigates the extraordinary 'End Time' age that humanity and the Earth are both currently experiencing, leading to profound geological and cultural changes. It also introduces us to the New Worlds Age which begun with the galactic alignment of 2012 and to the forthcoming Age of Aquarius, an age of spiritual renaissance and renewal. Drawing from prophecy, myth and the remarkable esoteric science of Rudolf Steiner, a picture of the future world is presented here, the challenges that await humanity to preserve its identity as a free and 'noble race', the importance of cultivating the "wisdom of the Heart" and the advent of a "new humanity", the Celestials, gifted with incredible spiritual powers and veritable 'citizens' of the Cosmos. Male Love as "Beautiful Way" looks into the tradition of Gay Love as mystical path and initiatic practice in the ancient civilizations and seek to demonstrate how and why male bisexuality will become again in the future age of Aquarius a cultural treasure and indispensable knowledge for those who wish to evolve spiritually.
