## **Dylan and Cohen: Poets of Rock and Roll** David Boucher

Bob Dylan and Leonard Cohen are widely acknowledged as the great pop poets of the 1960s, transforming the popular song into a medium for questioning the personal, social, and political norms of their times. They emerged at a time when the music industry was transforming the revolutionary sound of black music into something bland, homogenous, and fit for mass consumption. For many members of their generation, Dylan and Cohen were able to articulate what they were feeling and could not express: anti-establishment anger, angst, and despondency.

Dylan and Cohen is a fascinating political, psychological and artistic profile of these two iconic writers and performers. With reference to both biographical details and lyrics. David Boucher explores their similarities and differences, tracing the development of religious political, and social themes in their work and the ways in which those ideas engaged a new audience.

A must-read for all serious fans of either Dylan or Cohen, this book will also engage anyone interested in the North America of the 1960s, or more generally in the relationship between music, identity and politics.

#### **Thomas Burke:**

Is it you actually who having spare time in that case spend it whole day through watching television programs or just laying on the bed? Do you need something totally new? This Dylan and Cohen: Poets of Rock and Roll can be the reply, oh how comes? A book you know. You are therefore out of date, spending your free time by reading in this new era is common not a geek activity. So what these guides have than the others?

#### **Gail Delamora:**

As a pupil exactly feel bored for you to reading. If their teacher questioned them to go to the library or make summary for some book, they are complained. Just minor students that has reading's internal or real their passion. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Dylan and Cohen: Poets of Rock and Roll can make you experience more interested to read.
