Children come in all sorts of sizes, shapes, and colors. And they come with unique talents, gifts, interests, likes, and dislikes. *I Chose You* celebrates those differences as it reminds parents of the one thing all children have in common: the need to feel loved. This beautifully illustrated book reminds us that few moments shape children's character as much as the moments that they feel love from their parents—those special times that tell them they are valuable and cherished just for who they are.
