In this thrilling follow-up to Peter Jangle Uncorks the Inflation Genie, Peter and his friends get their first taste of corporate life – warts and all. Peter and Tom journey to Chicago where Peter lands his dream internship with a global money management firm. Jerry travels to Indianapolis to work with a large insurance company. Through their experiences they learn some of the many interconnections between high finance and healthcare. With an initial goal of gaining work experience and earning money, Peter’s friends soon learn an additional challenge of their corporate lives’ is to preserve their integrity. When a large earthquake strikes along the New Madrid fault line, our characters’ lives are shaken to the core: Peter fears he’ll lose the girl of his dreams as their internships reveal a darker side to corporate life. Unfortunate events bring back disturbing memories of his nemesis, The Sandman – are his fears justified, or is it just his imagination? And how can our characters remain true to themselves as they strive for success in the corporate world? This book will both educate and challenge the reader to evaluate various factors dominating the U.S. healthcare system, the financial system and capitalism itself. In this series, learning isn’t just fun – it’s an adventure.
