William H. Freeman

Physical Education and Sport in a Changing Society (6th Edition) William H. Freeman

This new edition provides a current, complete and balanced overview in the field of physical education, sport and exercise science. This book continues to cover physical education from its historical foundations to its role in today's society and the future while using the most current overview of the field available. The book surveys both teaching and non-teaching careers and thoroughly examines technology, current issues and future trends. This major revision reflects a thorough updating of all material and references and expansion of new trends and issues. For physical educators.
