Sheboygan Tales of the Tragic and Bizarre (Murder & Mayhem) William Wangemann

Sheboygan deserves its reputation as a conservative city clean, quiet and law-abiding. But here are some stories that have been swept under the rug or lost overboard. Venture into the mists of the "Lake Michigan Triangle" that have swallowed boats, planes and entire tribes. Investigate speakeasy shootings, safes burgled by a fly swatter, poisoned Christmas candy, flaming shipwrecks and the hoax that had militiamen firing on their own cattle. Or just sit down with some bizarre anecdotes about a hometown you thought you knew, from the town's first baseball game to the man freed from jail by a jug of whiskey to the deputy sheriff who had to enforce Nicholas Hoffman's first bath in fifty years."
