The End of Days

It's all going to burn and you're going to burn with it.

The world is on fire.
What is left is ash and ruin.
What has survived is left in hiding.

And just like in the stories of old, there is one person who has the power to change everything.

But Rayne has one thing on her mind and one thing only—sleep.
She hasn't had any since her father found his way into her dreams.

Every night it's the same thing.
She's standing at the edge of humanity and her father is next to her—holding his hands out over the ash and rubble. His words haunt her the way her mother's whispers once did.
"Our kingdom come—" he says it like it was the plan all along, and she has played right into his hands.

But Rayne isn't going down without a fight.

With the last two people she can trust standing next to her, and competing for her heart, Rayne must face the most evil man in history—her daddy!
