The Power of a Positive Mom Karol Ladd

Revised and updated with the tech-savvy mom in mind, *The Power of a Positive Mom* by bestselling author Karol Ladd offers seven principles that will help you and your child face the complicated issues confronting parents today including bullying, social media, single parenting, and more.

Every mother feels a profound sense of responsibility when it comes to parenting. The effects of parenting decisions have long-lasting implications on our children, but making those important decisions can be challenging. *The Power of a Positive Mom* offers seven time-tested principles that will help guide you in making the right choices when it comes to raising your child:

1. The power of encouragement
2. The power of prayer
3. The power of a good attitude
4. The power of strong relationships
5. The power of your example
6. The power of strong moral standards
7. The power of love and forgiveness

With a new chapter for single moms, sections on kids and technology, e-mom references, links to author videos, and more, both stay-at-home and working mothers will find practical and spiritual guidance and encouragement to help you become the mother you've always wanted to be.
