Torn (Shifter, Vampire, Romance): Blood Dreams Part Two J.M. Ward
Part Two of the Blood Dreams Series

Haley is having problems adjusting to her new living situation with her father.

Meanwhile, Cassie can only think about going out with her friends to party her ass off, unaware of the danger that stalks her.

Excerpt...

Something had to have fallen off the building nearby. Ben just wasn't sure what it could have been. His hood now had a large dent in it. He craned his neck to peer at the building through his windshield. There was no loose overhang jutting out of the building he was next to. And the sound of the object hitting his car had not sounded like metal against metal at all, but something soft.

Ben slowly opened the door of his vehicle and stepped out, his hand on the pommel of his gun. The fog wasn't so bad that he couldn't see the body lying out in the street.

What in the hell?

The first thing that came to mind was someone had tried to commit suicide, as he rushed to the side of the body.
