ASE Transit Bus Technician Certification H6: Electrical/Electronic Systems (Ase Test Preparation)

Cengage Learning Delmar

This new test preparation book from the leading publisher in automotive technology provides the only total training regimen that prepares users to pass the new ASE transit bus certification exam on Electrical/Electronics Systems. Coverage begins with a history of ASE, followed by the information technicians need to take and pass this ASE test. Sample questions that reflect the type of questions actually featured on the ASE exam follow, as well as up-to-date task lists and an educational overview of transit bus electrical/electronics systems. The balance of the book features a realistic sample of the ASE exam, followed by additional test questions for further practice.
