China Dreams : China's New Leadership and Future Impacts Chih-shian Liou, Arthur S Ding

With the theme "China Dreams: Opportunities and Challenges," this book contributes to emerging debates on Chinese new leadership's adaptability to important political, economic, social, and global issues. Can China's political system sustain "China Dreams," a slogan ushered by Chinese President Xi Jinping? Does the fulfillment of "China Dreams" require political reform? Does the initiation of the agenda of "China Dreams" facilitate China's economic transition? To what extent does "China Dreams" pave the way for China's peaceful rise? By exploring the preceding questions, the essays by Chih-shian Liou, Chin-fu Hung, Kellee S Tsai, Chung-min Tsai, Thomas Gold, Lowell Dittmer, Victoria Tin-bor Hui, and Scott L Kastner provide a comprehensive analysis of the agenda of China's new leadership.

Readership: Academics, professionals, undergraduate and graduate students interested in China's political system, China's new leadership and agenda of "China Dreams".
