Raising a Happy, Unspoiled Child (How Parents Can Help Their Baby Develop Into a Secure and We)

Burton L. White

REQUIRED READING FOR PARENTS WHO WANT TO GIVE THEIR CHILD THE BEST START IN LIFE

Must your charming five-month-old turn into a tiny terror? Are the "terrible twos" and public tantrums inevitable? Burton White, author of the classic *The First Three Years of Life*, doesn't think so. Basing his recommendations on thirty-seven years of research and observation, White shows how to bring up an independent, socially secure, and *delightful* child.

In his groundbreaking and easy-to-follow book, White takes parents through the normal development stages of their child's first thirty-six months, recommending the best ways to:

- React to a child's intentional cry
- Cope with stranger anxiety, separation anxiety, and sibling rivalry
- Manage unacceptable behavior without causing emotional harm to a child or damaging the parent/child relationship
- Handle challenging sleep situations, calm a cranky newborn, and deal with the toddler's fine art of the whine

All parents who want a peaceful, loving relationship with their child instead of a constant emotional tug-of-war will find that *Raising a Happy, Unspoiled Child* is the one book that *must* have a place on their shelf.
