The Men Who Stare at Goats

Jon Ronson

The Men Who Stare at Goats Jon Ronson

Bizarre military history: In 1979, a crack commando unit was established by the most gifted minds within the U.S. Army. Defying all known laws of physics and accepted military practice, they believed that a soldier could adopt the cloak of invisibility, pass cleanly through walls, and—perhaps most chillingly—kill goats just by staring at them. They were the First Earth Battalion, entrusted with defending America from all known adversaries. And they really weren't joking. What's more, they're back—and they're fighting the War on Terror.

An uproarious exploration of American military paranoia: With investigations ranging from the mysterious "Goat Lab," to Uri Geller's covert psychic work with the CIA, to the increasingly bizarre role played by a succession of U.S. presidents, this might just be the funniest, most unsettling book you will ever read—if only because it is all true and is still happening today.

From reader reviews:

Brian Lowe:

Book is to be different for each grade. Book for children until finally adult are different content. As it is known to us that book is very important normally. The book The Men Who Stare at Goats ended up being making you to know about other knowledge and of course you can take more information. It is quite advantages for you. The guide The Men Who Stare at Goats is not only giving you considerably more new information but also to be your friend when you truly feel bored. You can spend your spend time to read your reserve. Try to make relationship with the book The Men Who Stare at Goats. You never truly feel lose out for everything in the event you read some books.

James Kostka:

The book The Men Who Stare at Goats will bring one to the new experience of reading the book. The author style to clarify the idea is very unique. If you try to find new book to read, this book very ideal to you. The book The Men Who Stare at Goats is much recommended to you to learn. You can also get the e-book from your official web site, so you can easier to read the book.

Cedric Barnett:

Why? Because this The Men Who Stare at Goats is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will shock you with the secret that inside. Reading this book alongside it was fantastic author who write the book in such wonderful way makes the content interior easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you because of not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book have got such as help improving your skill and your critical thinking approach. So , still want to hold up having that book? If I were you I will go to the e-book store hurriedly.

Antoine Anderson:

Are you kind of stressful person, only have 10 as well as 15 minute in your morning to upgrading your mind talent or thinking skill possibly analytical thinking? Then you have problem with the book as compared to can satisfy your short time to read it because this time you only find e-book that need more time to be go through. The Men Who Stare at Goats can be your answer as it can be read by anyone who have those short extra time problems.
