*The family-run Green Mountain Country Store is cherished by locals as a reminder of simpler times. The Abbott children are determined to keep it that way—but their father has different plans...*

When Cameron Murphy heads to Vermont to build a website for a new client, she imagines a more relaxing trip than she gets. After wrecking her car by colliding with the town moose, she meets the most handsome hero she's ever seen. Unfortunately, her savior, Will Abbott, is also the son of her client—and he wants nothing to do with the new website or the city girl creating it.

For all Will cares, Cameron can march her fancy boots right out of town and out of his family's business. But he can't seem to get her out of his head. As his family's dispute heats up, so does the chemistry between the two, leaving them wondering if simple is better after all—especially when it comes to matters of the heart.
