You'd think that someone with a name like Harry Houdini Marco would be deft and skillful, but Harry could only occasionally catch even an easy fly ball without making some dumb error. On top of that, most of his friends' families were moving to the suburbs. It would have been a long, dreary summer, but then a Mr. Mazeck showed up and turned out to be more than he seemed.

This now classic book was first published by Atheneum in 1966. It was selected by Scholastic Books for inclusion in the Arrow Book Club and later republished in a Dell Yearling edition in 1988.
