## **Daily Love: Growing into Grace** Mastin Kipp

When Mastin Kipp found himself at rock bottom—addicted to drugs and parties, living in the tiny pool house of his ex-girlfriend’s parents, jobless, and with nowhere to go—he looked to the divine for help. What he found moved him from a life filled with the excesses of Hollywood—as a manager in the music industry—to one powered by self-acceptance and service. To spread the love beyond his personal circle, Mastin started his Twitter account, @TheDailyLove (now with more than half a million followers), and his popular website, TheDailyLove.com, which features writers from many walks of life—from Russell Simmons to Wayne W. Dyer.

Now Mastin has written a book based on his spiritual experiences in order to help other young seekers discover their own paths. In *Daily Love*, Mastin shares some of his personal stories of darkness and light, embracing them all as part of his journey to becoming who he really is. He also speaks of various spiritual leaders who have influenced his life, such as Joseph Campbell, Caroline Myss, Tony Robbins, George Lucas, Oprah, his parents, and Jenna (his girlfriend). Giving details about the concepts and spiritual principles they put forth, he shows how these people have helped to guide him to success.
