## Family Offices: The STEP Handbook for Advisers

This new handbook, prepared in association with the Society of Trust and Estate Practitioners, steers readers through the family office model from its inception, focusing on the viability of family offices for those at the margin of what is normally regarded as the minimum financial base and comparing this to a family worth many millions. The book also considers a range of issues around the cultural development of the family office – from the larger complex structures of North America to the emergence of family offices in developing jurisdictions.
