George Szell: A Life of Music (Music in American Life) Michael Charry

This book is the first full biography of George Szell, one of the greatest orchestra and opera conductors of the twentieth century. From child prodigy pianist and composer to world-renowned conductor, Szell's career spanned seven decades, and he led most of the great orchestras and opera companies of the world. A protege of composer-conductor Richard Strauss at the Berlin State Opera, his crowning achievement was his twenty-four-year tenure as musical director of the Cleveland Orchestra. Under Szell's baton, the orchestra developed into one of the world's greatest ensembles, recording extensively and touring triumphantly in the United States, Europe, the Soviet Union, South Korea, and Japan. Michael Charry, a conductor who worked with Szell and interviewed him, his family, and his associates, constructs a lively and balanced portrait of Szell's life and work, detailing his personal and musical qualities, his recordings and broadcast concerts, his approach to the great works of the orchestral repertoire, and his famous orchestrational changes and interpretation of the symphonies of Robert Schumann. The book also lists his conducting repertoire and includes a comprehensive discography of Szell's recorded performances.
