Most managers, supervisors, and team leaders realize the importance of team-building, but just can't seem to find the time in their busy schedules. *More Quick Team-Building Activities for Busy Managers* provides the solution! The book contains 50 all-new exercises that can be conducted in 15 minutes or less, and which require no special facilities, big expense, or previous training experience. Each activity is presented in just a few short pages with all the relevant information including a list of materials needed, the purpose of the exercise, and handy tips for success, all highlighted for easy reference. Readers will find fun and effective activities for: building new teams and helping teams with new members finding creative ways to work together and solve problems increasing and improving communication keeping competition healthy and productive within the team dealing with change and its effects: anger, fear, frustration and more. The book also includes special guidance for "virtual teams," whose members are in different locations but must work as a unit. For anyone charged with the task of bringing teams together, this book is the answer.
