Begin your journey with the Boxset of the first two Books of the Five.

The Books of the Five: Eleanor (Book 1)

"Most people's lives begin with their births; mine began with my death."

In the final moments of her life, the enigmatic Conlan drags Eleanor from her world and into his. Mydren - a vast, majestic land where myths have substance, magic is terrifyingly real and Eleanor is marked for death.

Reborn as an Avatar, the living incarnation of an ancient magic, Eleanor must think fast and act faster if she wishes to survive. This new life comes with a price; Conlan has a vital and dangerous mission to undertake.

Eleanor must learn to control her newfound abilities and cope with a host of dangers both mystical and natural, while helping her fellow Avatars to master their own talents, so they can get the connection between them working.

Can she make 'The Five' a force to be reckoned with? Will their deadly enemies destroy them? Can Eleanor overcome her own fears and find the courage she needs to reach Conlan and release him from his dark secrets?

The adventure of the Five continues with "Will"

The Books of the Five: Will (Book 2)

"Often the scars that grieve us the most are the ones we carry deep inside."

Hammered with determination and paid for in blood, the connection that binds Will to Conlan and his fellow Avatars has finally been forged and the Five are beginning to discover the extent of their staggering potential.

Now these living embodiments of elemental magic pose a threat that the despotic Lords of Mydren cannot ignore. With all the resources at their disposal, the hunt for the Five has begun in earnest.

With Conlan's army growing, the time has come for them to cease fleeing and begin their battle for the heart and soul of Mydren. Yet for Will there is only one goal: to see Conlan crowned king, thus securing the future of those he loves.

The task of guiding Conlan and his comrades through the oncoming battles will require every last ounce of Will's guile but he has secrets of his own that threaten everything the united powers of the Five represent.

With time running out, does Will have the strength to face the encroaching darkness alone?
