*The bestselling sequel to *ttyl**

Told entirely in instant messages, this sequel to the hugely popular *ttyl* follows Maddie, Zoe, and Angela through the new flirtations, fixations, and frustrations of eleventh grade.

Angela has just found out that her family is moving to El Cerrito, California, and she seriously doesn't know how she'll survive without her best friends. Maddie makes some really bad moves with Clive, a pot-smoking hipster who wants to be "friends with benefits." And Zoe finds herself falling for Doug, the sweet poet who has had a crush on Angela forever—a crush that Angela has come to count on.

The paperback is timed to release a month before the latest installment in the series, *l8r, g8r*. Together, the three books about the winsome threesome are a funny, touching chronicle of the rocky road of real friendship—bumpy, nutty, and marshmallow-sweet.

"Just as satisfying as the first book." —Booklist

"Totally amazing." —Girlslife.com

"Will ensure reader investment and generate discussion, both online and off." —The Bulletin of the Center for Children's Books
