## **When Night Comes** Dan Walsh

Jack Turner comes back to Culpepper to give a series of lectures for his old history professor. Within days, he starts having bizarre experiences at night. Like he's traveling back in time, experiencing the epic events in his lectures firsthand. He has no control over these experiences and can't make them stop.

Joe Boyd thought he'd left big city crime back in Pittsburgh when he took a detective job in Culpepper, Georgia, a sleepy southern college town. His peaceful life ends when two students turn up dead in two weeks. The coroner is saying natural causes, but something doesn't add up.

Rachel Cook, a teaching assistant at Culpepper, can't believe Jack is back in her life again. She's had a crush on him since she was fourteen, but Jack never knew. He instantly seems attracted to her, but she can tell...something is deeply troubling him.

Watching all this from a distance is Nigel Avery. He's certain this experiment's about to unravel. It'll be his job to tie up all the loose ends when it does.

Bestselling author Dan Walsh is known for page-turning storylines. Fans of his novels *The Discovery* and *What Follows After* will especially love...*When Night Comes*.
