Alea Jacta Est: A Novel of the Fall of America (Future History of America Book 1) Marcus Richardson
Terrorists abroad and enemies at home act to cripple America's infrastructure and bring the once all-mighty nation to it's knees. When global leaders attempt to take advantage of America's weakened state, the world is plunged into a conflict the likes of which no one could have predicted. Alea Jacta Est is set in the near future and weaves a story of crisis and conflict from Arizona, Florida and Washington, D.C., to Europe, the Middle East and China. It is a story of survival, courage, and terror that tells of just one way America may fall from power, and offers a glimmer of hope that she may yet rise again. As America goes, so goes the world...
