Campaign promises included reducing the National Debt dramatically and quickly before it bankrupts the country. (Review Comments) At the same time, the country is dealing with the moral issue of Gay Marriage. The Supreme Court is hearing arguments and close to a decision that may rock the country and even reach into the Presidency. (Review Comments) What will the President have to do to keep his promise of a return to fiscal sanity? Can he keep the Christian Right Wing of the Republican Party in check and avoid the label of a "RINO"? (Review Comments) With ALOHA!, the authors take you beyond today's traditional thinking and set you up for a ride into the future. The interesting part of this fiction is that it could be reality within a few more years. Are you ready for it?
