He was forbidden. Uncontrollable. Never to be seen, mentioned, or otherwise talked about. Until the nightmares began. Searing the screams, carnage and death into her skull. Forever. Before this, Lindsey had a normal life. Somewhat. She had a boyfriend who was acting strange, an ex-boyfriend who has been too flirtatious and a best friend who turned psychic. Once upon a time, the hardest decision Lindsey had to make was who she would take to the upcoming Winter Dance: her boyfriend, Philip, or her ex, Luke. Now, she's not even human. She's an Angel. This book is recommended for 16 years or older due to adult scenes and situations.
