They didn't believe in love anymore, until they met each other.

Handsome and successful divorce lawyer Trevor Armstrong doesn't believe in love anymore. Every day he sees marriage after marriage fail. When he wins another prestigious case he just wants to wind down and forget the harsh reality of life, a woman is not on his mind - until Nicole Kendrick enters the bar. She changes everything he thought to know about women.

Nicole Kendrick needs Trevor Armstrong - as an interview guest for her radio show. Not more. Not less. Definitely not for love. She's been burnt before and has vowed to never again let a man control her. She needs to guard her heart and protect herself from men. Especially from Trevor, who's a lot more attractive than she's willing to admit.

This is the first book in the Armstrong series, a contemporary romance with hunky heroes and strong, powerful women. True love, and steamy sex scenes.

Each of the books can be read as stand alone novel, but for bigger enjoyment you might want to read them in order. Characters from one book follow through to the next books.
