As lead singer and guitarist of the internationally renowned Souls of the Knight, Sawyer Knight is living a life most men can only dream of. He's surrounded by music, fame, wealth, women throwing themselves at his feet. He has everything... Yet he has nothing. Life as one of the world's most sought after rock stars is tiring, oppressive and lonely. He spends every day being who the world wants him to be, who his manager tells him to be, who his mother expects him to be... all the while fighting against who he really is. Truth is, he's used to it. He's actually gotten pretty good at pretending... at living the lie. Until Jake Reed, his ex-best friend and the only person who's ever made him 'feel', waltzes back into his life as the band's new head of security. Jake wants Sawyer – always has, always will. Now, he just needs to get Sawyer to admit that he feels the same... “You will be mine, Sawyer Knight. The faster you try to run the quicker you'll fall to your knees. Then, Sawyer... then you'll be too weak to resist.” (This is an M/M romance that is not recommended for under 18's due to adult language and explicit sexual situations)
