Bury My Heart at Wounded Knee: An Indian History of the American West (Library Edition) Dee Brown

Bury My Heart at Wounded Knee is Dee Brown's classic, eloquent, meticulously documented account of the systematic destruction of the American Indian during the second half of the nineteenth century. Using council records, autobiographies, and firsthand descriptions, Brown allows great chiefs and warriors of the Dakota, Ute, Sioux, Cheyenne, and other tribes to tell us in their own words of the series of battles, massacres, and broken treaties that finally left them and their people demoralized and decimated. A unique and disturbing narrative told with force and clarity, Bury My Heart at Wounded Knee has become a watershed in American culture that changed forever our vision of how the West was won and lost.
