After escaping from the Brenda T. Trumbull Correctional Facility for Women and stealing the identity of rich socialite, Ariana Osgood finally thought she was on the path she always believed she deserved. But her past caught up with her and she is forced right back to her old ways, making everything she wants seem further out of reach. And some familiar faces are back to make things even worse for her.

The Privilege series comes to an end with all the suspense, romance, drama and, wherever Ariana is concerned, murder you'd expect.
