Great introduction to the game of craps!

I have been dealing and supervising the game of craps in major casinos across this country for 29 years now. I have noticed that the reason people do not play craps is because they are intimidated by the games complexity. I have **broken down the game, bet by bet** and explain how each bet will win and lose--individually--and why!

You will learn table etiquette and be able to attack the game at your speed and avoid any embarrassment that may be holding you back from playing. This is a game you will thoroughly enjoy playing. It's **not as hard as you might think**...Educate Yourself!
