Just Gotta Say Laura Kaye

Callie Davis stumbles upon two of her three male roommates in a surprising, molten-hot midnight tryst and discovers a side of herself she never knew existed. Desire to play with them grips her, and she can't stop fantasizing about having multiple men, particularly her three long-time best friends.

Callie is thrilled when a guys' night out gives her the perfect opportunity to recreate her fantasy, with the help of a threesome porn video and a bag of sex toys. That is, until Lucas, Jack and Noah return early and catch her in the act. More than anything, the guys want to make her fantasy come true. But Callie has a secret, and she can't help wondering if being with all three men will risk the future she's always wanted with one of them.

As three strong sets of hands caress and undress her, Callie surrenders to desire, because sometimes you just gotta say...yes.
