## **LIFE AMERICA and the ROAD A Biker's Perspective** Jefe Smith

Swing a leg over and grab the handlebars as long rider Jefe Smith takes you on a Zen cruising motorcycle journey across America and through one crazy life while searching for how to live the later part of life well. This is not a travel log. These are the entertaining, true road stories you share with friends while sitting in plastic chairs outside a cheap motel room with the second or third beer in your hand at the end of a long day's ride. You may or may not be a biker, but you will feel the edge, excitement, beauty and characters encountered on a motorcycle ride across the USA and through life, all enhanced with some "bet you didn't know" local history, irreverent road philosophy and the hard and humorous lessons that are found along these roads. Not all of these stories are G rated and in fact some pay tribute to a wilder side of life than some choose to live, but it is probably no surprise that not all biker's lives are G rated. You will enjoy the ride and you may find yourself at the end of this journey in a place not quite the same as where you started.
