Me and My Shadows: A Family Memoir Lorna Luft

The question follows Lorna Luft to this day: "What's it like to be Dorothy's daughter?" Although by appearances glamorous and truly thrilling, growing up as the daughter of Judy Garland was anything but a journey over the rainbow.

With unsparing candor, Lorna Luft offers the first-ever insider portrait of one of Hollywood's most celebrated families: a rare story of a little girl, her half-sister Liza, and her baby brother trying desperately to hang on to the mother whose life seemed destined to burn brightly but briefly. Lorna makes an extraordinary journey back into the spiral of love, addiction, pain, and loss that lurked behind a charmed facade.

Filled with behind-the-scenes dramas, hilarious untold stories, and little-known details of Garland family life, *Me and My Shadows* is a tribute to Lorna's victory over her own past, a story of hope, of love and its limitations, and a deeply moving testament to the healing powers of embracing one's past and charting a course of self-love and discovery.
